School News In these times of change, we can contemplate what the future might hold for Catholic education. Fr. Joseph McShane of Fordham University recommends that we recognize, celebrate and capitalize on the fact that Catholic Schools maintain a foothold in the hearts, minds, and lives of Catholics. In the competitive environment in which Catholics live, we have a dazzling array of choices for our children. Our Catholic schools--from pre-K to colleges--have to be remarkably successful in the work that we do. If we are, the schools will be magnets for families who are looking for the brand that will make it possible for their children to be successful in life. When we are, we, as schools, become instruments of evangelization. Students will come in the door expecting one thing (namely, an entree to a successful professional life) and discover something entirely far richer: they will discover the faith, a treasure beyond all telling, a system of meaning that will enable them to make sense of their lives and that will bring them into contact not only with the wisdom of the past but with the Author of All Wisdom. The brand will bring them in; the success they seek will keep them in the seats; and the wisdom of love will make them whole.

Inspire. Challenge. Engage.

Touching the Mysteries: Scripture & the Rosary

St. Peter's Adult Faith Formation invites you to join them for 5 Wednesdays in Lent - March 16, 23 & 30 as well as April 6 & 13 in the Club Room from 6:30—8 pm. Our facilitator, Steve Harvey, will lead us as we study the Biblical stories that provide the background for the mysteries of the rosary. The stories of Jesus are the best way to focus our prayer. The cost will be \$10.95 per person to cover the materials. Participants provide their own Bible. Please call the rectory at 551-9004 to register.
