## 2nd Sunday in Ordinary Time

It's the miracle that always captures the attention! Sight restored. Lame limbs healed. Hearing brought back. The dead raised. Water changed into wine. When you think about it, the first four are often routine today. Granted, the miracle doesn't happen every time. But many have their sight restored through cataract surgery. Broken bones that would have led to incapacitation are mended. Cochlear implants help some who did not hear. And even some people who were in cardiac arrest have been brought back. These medical miracles happen so regularly that we don't even advert to them as "miracles" anymore. They are "procedures." It's when things don't work that we get disappointed-and maybe even pray for a miracle.

Of course, we still haven't been able to crack that water-into-wine thing. It is still a bona fide miracle. Relying on the miraculous misses the point that John is trying to make in today's Gospel. The "sign" is not about how much wine we can get out of Jesus, but rather that he was revealing his glory, leading his disciples to belief. The signs in John's Gospel are again and again about faith, about coming to believe in Jesus.

Praying for the miraculous can lead to an increase of faith. But we can't let the miracle-or lack thereof-get in the way of faith. Instead, we can let our faith uncover the miraculous that already takes place each day: the healing that goes on in hospitals; the amazing production of food that feeds so many; the growing ability of humankind to understand this created world; the wonder of a child who grows from just a few cells to an adult in the span of two decades. It's these miracles that can capture our attention and deepen our faith!

### Making a Safe Environment for Children

In 2002 the United States Conference of Catholic Bishops established a comprehensive set of procedures for the protection of children. Among these procedures is that every parish or other Church institution is to conduct mandatory criminal background checks on all employees and volunteers who work with or around children.

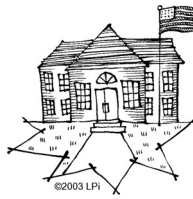

St. Peter Church follows the mandatory guidelines of the Archdiocese of Milwaukee. Repeat background checks are done every 5 years.

Anyone with a criminal background would go through extensive screening to make sure no child—or any other person—is put at risk. To date, no one works for us who has a criminal background at risk to children or adults.

**In Gratitude** Prayer & Worship would like to give a big thank you to all of you that donated your time to help decorate and take down during this Christmas season. Our committee is small and we wouldn't be able to do it without your help.

**Holy Hour For Life** On January 21, the vigil of the National Day of Penance and Prayer, Holy Hours for Life will be held simultaneously in over 100 parishes in the Archdiocese from 7-8 pm, including here at St. Peters. Please consider coming to spend an hour before the Blessed Sacrament praying for a consistent life ethic for all stages of life—womb to tomb.

**School News** Drop in to our school open house on January 31 any time from 10am to 1pm. At St. Peter School, the total integration of religious faith and values in the academic and learning process helps bring about the character of our faith community. Our religion program permeates all learning experiences for our children. The school is one part of the vital St. Peter Catholic community dedicated to creating an environment that fosters the spiritual, mental, and social growth of each child. Join us on the 31st to see today's Catholic education in action!

Inspire. Challenge. Engage.

Jaki Grajera, Principal

**Don't forget to pray for our soldiers!**

**Parish Eagle Scout** St. Peter Parish congratulates Mr. Michael Meade, son of Bob and Karin Meade who earned the Eagle Scout Award on October 13, 2009 and received this high honor on January 8, 2010. Michael belongs to Scout Troop 385 in Bristol. His Eagle Project was to amass and properly retire as many American Flags as possible. The project retired 2,413 flags using 70 volunteers and 227 hours of works. A job well done Michael!

### Super "Sock-it to me" Sunday

Human Concerns committee is asking folks to donate a pair of socks for a man, woman or child. The socks will then be given to the Homeless Shelter for distribution. Warm, clean, new socks are something we often take for granted. To the homeless, this is an amazing gift. You can bring your sock donations and place them in the grocery cart in the lobby through Sunday February 7. What a great way to "Sock-it" to the cold for our homeless!

**Natural Family Planning** St. Peter's will host a Natural Family Planning Presentation this winter. We invite any married or engaged couple to join our engaged couples preparing for marriage. The 3 session presentation will take place Wednesdays January 20, February 24 & March 24. Each meeting will begin at 7 pm. Natural Family Planning is a safe, effective and moral method couples can use for planning pregnancy. Pre-registration is essential. Sign up with our office administrator Becky at 551-9004 or [rectory@stpeterskenosha.com](mailto:rectory@stpeterskenosha.com).

**January 17, 2010**

**2010 Parish Festival** If you are interested in leadership opportunities for this year's family festival please attend a meeting Sunday, January 24 down in the Church Hall after the 8 am Mass. For questions contact Marianne at 551-8685.

**End of Year Financial Statements** If you need a statement of your 2009 parish donations you can request it several ways: call, fax or email the rectory or get to us a stamped, self addressed envelope through the collection, dropping it off at the rectory or school. It may not always possible to meet requests immediately, but we'll do our best to get them out promptly.

**Faith in Our Future Pledges** Please mail donations directly to: Faith in Our Future, P.O. Box 070504 Milwaukee, WI 53207. If you have questions about your pledge or payment schedule please call Sandy Kurka at 414-769-3457 or use the toll free number 800-769-9373 and ask for her by name.
