**13th Sunday in Ordinary Time** In the 1970 musical *Godspell* (which will see a fortieth anniversary revival this August), Peggy sings the song "By My Side." The lyrics start out with the question addressed to Jesus, "Where are you going?" and continue with the words, "Can you take me with you? Far beyond where the horizon lies." It is a song for the road as the company approaches Jerusalem, and Jesus prepares for the inevitable end. Through the years, *Godspell* has enjoyed occasional productions put on by parish youth groups around the country. Like a traveling road show, the musical has popped up here and there to charm audiences with its mime and minstrel techniques and share the good news in a lighthearted manner.

In Luke's Gospel, the journey of Jesus to Jerusalem is a literary device meant to convey the inevitable fulfillment of God's plan of salvation. The geographical directionality (toward Jerusalem) mirrors the Salvific intentions of God. Nothing is going to prevent Jesus from entering the city and accomplishing the Father's will. As today's Gospel describes it, Jesus was "resolutely determined."

The question Peggy asks, "Can you take me with you?" is the question of the Christian to Jesus. But it is one that we can only ask in faith. If we really want to follow Jesus, really want him to take us with him on this journey, then we need to be prepared for the challenges along the way. We also need to let go of those things that stand in the way of following Jesus, including the old life of sin that we are to leave behind. Peggy's song to Jesus concludes with the words "finally glad that I am here by your side" and takes place just before the final events of Jesus' passion. That is our song too, finally glad that we are by his side after the journey of our life.

**School News** Good News! The Scrip box is in the building! This summer, we will be selling scrip **at school**, 9-noon, Monday-Thursday. Of course, as always, it will be available after Mass on Saturdays and Sundays. Have you tried using Scrip yet? Scrip is a unique program where school families can save hundreds and even thousands of dollars on tuition simply by using cards to buy things they would have spent money on anyway. Groceries, clothing, toys, gifts, even gasoline can be purchased with scrip. An organization of 150 families easily spends between one and two million dollars per year on food, clothing and other essentials- can you believe it? If these families use scrip for these purchases, they can raise as much as \$40,000 to \$80,000 per year for their organization --without spending an additional penny. For every scrip purchase you make, 50% is dedicated to tuition relief while the other 50% is set aside for special purchases that benefit the school and parish! Scrip is a powerful fundraising tool because families generate revenue through purchases they would make anyway. Parents often cite educational costs as the #1 barrier to Catholic education...isn't it great to know that you can defray these costs simply by buying gas and groceries!

Inspire. Challenge. Engage.  
Jaki Grajera, Principal

**More Scrip News** Did you also know that besides supporting the school you can buy Scrip and have the funds received from your purchase applied to your CCD or Confirmation fees? With July 4th rolling around, it would be a great time to pick up some grocery cards or gas cards!

**Outdoor Mass** The weather was beautiful and attendance was great at our first Outdoor Mass. Prayer & Worship would like to extend thanks to Joe Chovan, Deacon Terry Maack, & Bob Sorensen for preparing the grounds, Joe Vignieri for getting the sound system for us & Matt Maccari for loaning us his portable keyboard. Mark your calendar for July 18 & August 22 outdoor Masses.
