

The Weekly Update

Mrs. Arneberg

Week of May 17th, 2010

Skills Learned In Our Classroom This Week!

Reading:

The skill of the week focused on "visualizing". This is a great comprehension skill, and the kids really enjoy it. Students are reminded of this and practice this a lot during read alouds.

Phonics: We reviewed the au/aw/al sounds.

Grammar: We worked with comma placement.

Writing: Students continue writing their hard cover short stories. Some have already finished. The kids will be reading their stories to the class when we are all done.

Math: We completed lessons 101-102.

Social Studies: The kids really enjoyed the "Taste Wisconsin" and the Kenosha presentations. What a great way to help wrap up the year in social studies!

Religion: We will be praying the Rosary every Wednesday in May at 2:15pm. Third grade leads on Wednesday, May 26th.

Dear Parents,

As you know, we have to **pack, pack, and pack** up EVERYTHING in our rooms. If anyone has good, sturdy boxes that you would like to donate to the third grade room, I would really appreciate it!

Thanks,

Mrs. Arneberg
