Class Notes

Thank you so much for a wonderful Teacher Appreciation Week!

Hollywood here we come! Our class will be presenting a play at the end of the year. Everyone has a part or two in the play. If your child has not told you about it yet ask them. It is a very cute play and I hope that some of you will be able to make it. We will be presenting the play on Tuesday, June 1st at 11:00 am.

Next week I will be sending home a list of some item that we will need for props.

Famous Person Speeches went very well! I was very proud of all the students!

Thank you for any assistance that you gave in this assignment.

Well today was our last mass that we were in charge of for the year. Time sure does fly. I am amazed at how relaxed they seem speaking in front of a large group.
