Tuesday, March 1st – Friday, March 11th – IOWA TESTING

Thursday, March 10th – Report cards come home

SPECIAL NOTES

Iowa testing begins on Tuesday morning. The testing schedule is being sent home today with this newsletter. While we are testing if you need to drop something off please leave it with the office. When finished testing for awhile we will stop and get whatever has been dropped off.

Please remember to provide a healthy snack each day (fresh fruit, yogurt, string cheese, cheese and crackers, etc) for your child. They get very hungry by 9:45 am and really look forward to having a little something to tide them over until lunch.

I have seen vast improvement in the cursive handwriting that the students are producing. Keep up the practicing.

Remember to practice your multiplication facts over this long weekend!

NO MULTIPLICATION CHARTS ALLOWED!
